RE: STB Docket No. AB-33 (Sub-No. 175X)

Union Pacific Railroad Abandonment of its Ellsworth Industrial Lead, between
M.P. 0.0 near Jewell to M.P. 3.2 at Ellsworth, a distance of 3.2 miles in
Hamilton County Iowa;

Dear Ms Quinlan:

This letter is to clarify the role of the Iowa Natural Heritage Foundation
in the above captioned proceeding. The Iowa Natural Heritage Foundation
(INHF) was not the primary petitioner in this case, but was noted as a potential
participant. At this time we have been asked to assist with the final negotiations
with Union Pacific Railroad on behalf of Webster County and the Iowa Trails
Council.

Because of this request by the original petitioners INHF requests
permission to finalize negotiations a participant in the proceedings.

The STB issued the decision dated March 19, 2009 to extend the Notice
of Interim Trail Use to August 23, 2009. We anticipate closing on the
acquisition prior to this date.

Statement of willingness to assume financial responsibility:

The railroad right-of-way in this proceeding continues to be suitable for
railbanking and interim trail use. In order to establish interim trail use and rail
banking under section 8(d) of the National Trails System Act, 16 U.S.C.1247(d),

and 49 C.F.R. 1152.29(a)(2) and (3), INHF is willing to assume full responsibility for management of, for any legal liability arising out of the transfer or use of, and for the payment of any and all taxes that may be levied or assessed against the right-of-way owned by UP Railroad Company after the transfer of ownership of the corridor to INHF.

The Webster County Conservation Board and the Natural Heritage Foundation acknowledge that the use of the right-of-way is subject to the user's continuing to meet its responsibilities described above and subject to possible future reconstruction and reactivation of the right-of-way for rail service.

Sincerely,

Mark C. Ackelson
President
